PREMIUM NON-ALCOHOLIC MALT BEVERAGE

Istak is a leading brand in the non-alcoholic beverage industry founded in 2004, specializing in a wide variety of flavored drinks, fruit purees, concentrates & malt extract. With a commitment to quality, innovation, and consumer satisfaction, Istak has become synonymous with refreshing, natural, and flavorful beverage options for all age groups.

COLLECTION 2026 - UNIQUE & PURE TASTE

"ABOUT US"

Our Products:

We offer a diverse range of non-alcoholic beverages, catering to various tastes and preferences, including:

- Fruit-Flavored Carbonated malt Beverages
- Fruit-Flavored Carbonated Drinks & High-quality juices
(A wide selection of natural flavors that provide a refreshing experience.)
- Purees - Concentrates & malt extract :

Ideal for food manufacturers, catering services and retailers looking for premium and natural ingredients.

Our production is tailored to meet the highest standards, ensuring both quality and taste.

Commitment to Quality and Innovation:

At ISTAK, quality and innovation are not claims, they are core principles embedded in every stage of our operations. From ingredient selection and formulation to production, testing, and packaging, our processes are designed to meet strict international standards and ensure consistent excellence.

We continuously invest in advanced technologies, research-driven development, and rigorous quality control systems to enhance product performance, safety, and sensory experience. This commitment enables us to respond to changing market expectations while maintaining reliability and trust across global markets.

Driven by continuous improvement and responsible production, Istak is dedicated to delivering high-quality, alcohol-free beverage solutions that meet the demands of today and anticipate the needs of tomorrow.
